

Together.

[redacted] the start, [redacted]
[redacted] to forge, [redacted] grow [redacted]
dreams.

[redacted] the birth [redacted]
[redacted] fulfillment.

[redacted] light.
[redacted] thought [redacted]

[redacted] here [redacted] all [redacted]
Growing [redacted]

Hopes [redacted]
[redacted] every song.

And we [redacted]
[redacted] always [redacted] change.

[redacted] things [redacted] the same.

And we [redacted]
[redacted] found [redacted]
[redacted] inside [redacted]
[redacted] the world, [redacted]

Where [redacted]

Where [redacted]

Open [redacted]
The unfolding [redacted]

Where [redacted]

Where [redacted]

Where [redacted]

Where [redacted]

[redacted] embrace, [redacted] home.
The fulfilling [redacted]

Together.

•

Alone.

[redacted] the end, [redacted]
[redacted] ash, [redacted] tears
[redacted] afraid, [redacted]
[redacted] bitter [redacted] emptiness

[redacted] falling [redacted]
[redacted] words [redacted]

[redacted] to love, [redacted] the love
Falling [redacted]
[redacted] gone
The end [redacted]

And it [redacted]
[redacted] never [redacted]
[redacted] stops
[redacted] always [redacted] same

[redacted] to sleep

To dream [redacted]
[redacted] the world, [redacted] a dream

Where [redacted]

Where [redacted]

[redacted] lament [redacted]
[redacted] the end [redacted]

Where [redacted]

Where [redacted]

Where [redacted]

Where [redacted]

Broken [redacted] home
[redacted] the end [redacted] we sing

Alone
